The Brain and  
Mind Institute

## **Postdoctoral Position at the Brain and Mind Institute**

Drs. Penny MacDonald and Adrian Owen are recruiting a post-doctoral fellow who has experience in fMRI data acquisition and analysis as well as in conducting cognitive research. The successful candidate will collaborate on projects aimed at understanding cognitive deficits in neurodegenerative diseases such as Parkinson's disease and their neural underpinnings. Interested individuals are invited to send an application to Ms. Dawn Pavich ([dpavich@uwo.ca](mailto:dpavich@uwo.ca)), attention Dr. Penny MacDonald.
